Revised 2/2025

RPD/OS-7/25-AZ

The Pennsylvania Military Family Relief Assistance Program (MFRAP) provides financial assistance in the form of grants to eligible Pennsylvania Service Members and their eligible family members. Applicants must have a direct and immediate financial need as a result of circumstances beyond their control.

WHAT KIND OF IMMEDIATE FINANCIAL NEED WOULD QUALIFY ME FOR A GRANT?

Such financial need may arise from:

- A sudden or unexpected loss of income, real or personal property, assets, or support, directly related to military service or exigent circumstances affecting the Service Member.
- Natural or man-made disasters resulting in an urgent need for food, shelter, or other necessities.
- Emergency need for childcare for which the applicant lacks financial resources.
- The death or critical illness of a parent, spouse, sibling, or child resulting in immediate need for travel, lodging, or subsistence for which the applicant lacks financial resources.

MFRAP grants can help with things like food, housing, childcare, utilities, medical prescriptions, medical services, insurance, and vehicle payments to name a few.

MFRAP grants will not help pay for non-essentials, ordinary leave or vacation, fines or legal expenses, home purchases or improvements, or help to purchase, rent, or lease a vehicle. Applicants for grants will be asked for information to verify expenses and financial need.

Eligibility for grants is determined under guidelines published by the PA Department of Military and Veterans Affairs. Please understand that assistance is solely for those in need and each grant is made on a case-by-case basis.
